ABOUT US

Hooker Oak, Chico, California -

Largest Oak Tree in the World. \$800

Since our beginnings as a hardwood sawmill and flooring producer under the name Cal Oak in 1960, CalFlor has grown into a leader in flooring accessories, maintenance, and repair solutions. Rebranded as CalFlor Accessory Systems in 1990, we've dedicated the past 30 years to serving the flooring industry by providing everything but the floor itself.

At CalFlor, we believe in the often-overlooked art of flooring accessories—an essential yet underappreciated segment of the industry. Our commitment to innovation allows us to optimize our partners' accessory programs, enhancing their operations and boosting their profitability. From product development to technical support, warranty services, and installation tools, we tailor our offerings to meet evolving industry needs.

With CalFlor, our partners benefit from tested, effective, and forward-thinking solutions designed to sustain their businesses as efficiently as possible. Let us bring our expertise to your flooring projects and elevate your accessory programs to new heights.

Image of Hooker Oak: Once believed at one time to be one of the largest Oak trees in the world, when the Hooker Oak fell on May 1, 1977 Cal Oak was commissioned for it's removal in spring of 1980. Cal Oak set up a program using local artisans to produce artistically designed items from the tree's wood which were sent to local museums, universities and government branches.

BLUEZONE PERIMETER SEALANT TAPE

**THE
CHOICE IS
EASY**

VS

**MAKE THE
SWITCH
TODAY**

Tired of dealing with messy, outdated methods for sealing flooring installations? CalFlor's new BlueZone Perimeter Sealant Tape is here to change that. This innovative product simplifies the installation process by eliminating the need for traditional silicone sealant, a notorious hassle for installers. Simply unroll and place on the perimeter of any flooring installation for a quick and efficient seal. Constructed with durable, tear-resistant 6 mil polyethylene and durable adhesive sides, BlueZone provides long-lasting, reliable protection against all household and pet moisture intrusion.

Unveiled at the 2024 Surfaces show, BlueZone has already captured the attention of industry leaders, who are calling it a game-changer. Offering superior moisture protection, BlueZone prevents spills, pet urine, and other moisture from damaging floors and subfloors. It's cost-effective, easy to apply, and doesn't require special tools—making it accessible to both professionals and DIYers.

BlueZone is redefining what it means to protect flooring installations, offering a cleaner, quicker, and more cost-effective alternative to outdated methods.

INSTALLATION SUPPLIES

VaporBlock Moisture Barrier

152 sqft

Simplify flooring projects with the Vapor Block Moisture Barrier. Made from 100% durable polyethylene, it's designed for fast and easy installation, thanks to a convenient built-in adhesive tape strip. Simply unfold to a generous 25' x 6' coverage, apply, and protect your floors from moisture all in one seamless step.

Includes: 152 sqft of 100% Polyethylene MB, Attached Adhesive Tape with Release Strip
For Use On: All subfloors

SKU: GA60240M - 3.5"x3.5"x37" - 4.4lbs

BronzeStep Underlayment

100 sqft

Get essential protection at an unbeatable value with BronzeStep Underlayment. Featuring a double-faced moisture barrier, this underlayment is designed for reliable performance without breaking the budget. Just unfold to a spacious 26.5' x 3.8' and enjoy quick, hassle-free installation that's built to last.

Includes: 100 sqft, Attached Adhesive Tape with Release Strip

For Use Under: Wood, Laminate, Engineered Flooring, Cork Flooring

Special Discount Pricing Available

SKU: FU81326 - 6"x6"x47" - 1.9lbs

SilverStep Underlayment

100 sqft

A premium cross-linked underlayment that delivers both comfort and durability. Featuring an integrated moisture barrier, this easy-to-install fan-fold design offers top-tier sound reduction (IIC 72, STC 66) for a quieter, more comfortable space. Just unfold to a generous 28' x 3.58' for quick, efficient coverage and long-lasting results.

Includes: 100 sqft, Attached Adhesive Tape with Release Strip

For Use Under: Wood, Laminate, Engineered Flooring, Cork Flooring

SKU: FU81442 - 4.4"x10.3"x43.5" - 2lbs

Eurobond D3 Glue

Experience the advanced performance of Eurobond D3 Floating Floor Glue, designed to meet and exceed the strict European D3/Type II standard. With a high-strength, cross-linking formula, this glue offers exceptional flexibility for a stronger, longer-lasting bond, even in wet areas like kitchens and bathrooms. Proudly made in the USA, it's also low in VOCs and free from formaldehyde and acrylamide—better for your health and the environment. Each bottle provides coverage for 124–200 sq. ft., making Eurobond the top choice for safe, reliable flooring installation.

Includes: 16 fl./oz

For Use On: Wood, Laminate, Engineered Flooring, Cork Flooring

SKU: GL82114 - 2.5"x2.5"x9.3" - 1.33lbs

Ergonomic Pro Tapping Block

Meet the Ergo Pro™ Tapping Block—the ultimate tool crafted for durability, this solid 11-inch tapping block provides the strength you need to secure a flawless fit, every time.

- **Solid Construction:** With its 11 inches of solid, durable material, the Ergo Pro™ delivers stability and control, ensuring precise tapping for any flooring project.
- **Ergonomic Design:** The specially designed handle gives you ample grip room, reducing strain while maximizing comfort and control. Say goodbye to hand fatigue and hello to smooth, efficient installations.

Includes: 1 Ergo Tapping Block

For Use On: All Flooring Types

SKU: TB72202 - 11"x2.8"x3.2" - 0.9lbs

Professional Pull Bar

Engineered for flexibility and built to withstand daily heavy-duty use, this tool is a must-have for any serious installer.

- **Customizable Height Adjustment:** Equipped with innovative magnetic shims, this pull bar adapts effortlessly to match any floor thickness from 8mm to ¾ inch, ensuring a secure fit and precise alignment every time.
- **Dual Functionality:** The heavy-duty pry bar end is perfect for not only flooring installation but also efficient molding removal.
- **Solid Steel Construction:** Made for tough jobs, the durable steel build guarantees reliability and performance day after day.

Kit Includes: Heavy duty solid steel pull bar, 3 magnetic shims

For Use On: Wood, Laminate, Vinyl, Click Tile and more

SKU: PB71302 - 3"x5.5"x22" - 4lbs

MultiSpacers

MultiSpacers: Designed to simplify expansion spacing, each MultiSpacer offers five positions, ensuring a perfect fit for vinyl plank ($\frac{1}{4}$ "/6mm), laminate ($\frac{3}{8}$ "/10mm), engineered hardwood ($\frac{1}{2}$ "/12mm), and threshold installations ($\frac{3}{4}$ "/20mm & 1"/25mm). Unlike traditional wedge spacers, MultiSpacers lay flat and stay in place throughout installation, saving time and reducing the number of spacers needed by half.

Includes: 20 MultiSpacers (equivalent to 40 traditional spacers)

For Use On: All expansion spaces $\frac{1}{4}$ "/6mm and up

SKU: SP73110 - 1.4"x4.5"x9.8" - 0.31lbs

VersaBlock Tapping Block

VersaBlock™ Tapping Block: This innovative block accommodates all flooring thicknesses up to 14mm and is packed with features like a built-in ruler for quick measurements, a knife notch for effortless tongue trimming, and pencil holes for easy wall tracing.

Includes: 1 VersaBlock

For Use On: All floating floors

SKU: TB2215 - 0.8"x2.5"x7.5" - 0.25lbs

VersaFloor Pro Installation Kit

Take your flooring installation to the next level with the CalFlor VersaFloor™ Professional Flooring Installation Kit—the ultimate toolkit for any installation project. Crafted with both professionals and DIY enthusiasts in mind, this kit provides everything you need to install wood, laminate, vinyl, click tile, and more.

Kit Includes: Heavy duty solid steel pull bar, VersaBlock Tapping Block, 20 count–

MultiSpacers versatile expansion spacers
For Use On: Wood, Laminate, Vinyl, Click Tile and more

SKU: KI75160 - 12.5"x3.2"x2.5" - 2.33lbs

SEALANTS

BlueZone Perimeter Sealant Tape

Say goodbye to the mess and hassle of traditional silicone and backer rods with BlueZone Perimeter Sealant Tape—the next-generation solution for sealing flooring installations.

- **Quick, Easy Application:** Simply unroll and apply to the perimeter—no special tools or messy sealants needed.
- **Superior Moisture Protection:** Designed with durable, tear-resistant 6 mil polyethylene and adhesive sides, BlueZone effectively blocks household and pet moisture, preventing damage from spills, pet accidents, and more.
- **Cost-Effective & Reliable:** Long-lasting protection at a fraction of the effort and cost of traditional methods, ideal for both pros and DIYers.

Transform your flooring installations with BlueZone—the cleaner, faster, and smarter way to seal and protect.

MAINTENANCE PRODUCTS

fern Floor Care

Bio-Based Enzymatic
Floor Cleaner &
Accessories

1 packet = 24 oz of cleaner

Fern Multi-Surface Floor Cleaner Concentrate is the ultimate cleaning solution for pristine hard surface flooring. Nestled within each box are eight lightly citrus-scented 1oz packs filled with an enzyme and surfactant blend that breaks down and removes any mess. Simply blend one pack with a 24oz spray bottle of water and spray on the surface for effortless, day-to-day cleaning that leaves your floors gleaming. Fern is scalable for heavy-duty messes or odors. Move from an everyday cleaner to a heavy-duty cleaner by combining two packs with 24oz of water for heavy-duty carpet or hard surface spot cleaning that removes even the toughest messes. Use 2 packets per gallon for large mopping jobs

REPAIR PRODUCTS

ScratchAway Laminate & Vinyl

ScratchAway is a safe and easy-to-use scratch masking treatment. Made from an innovative new formula designed to address the number one complaint related to laminate and wood floors: unsightly surface scratches.

Features:

- Reduces visibility of scratches
- No waxy build up—No VOC's
- Adds protection to your surfaces
- Made in USA

ScratchAway Laminate

Includes: 8 fl.oz

For Use On: Laminate & Wood Floors

SKU: SA92258 - 8.7"x1.9"x1.9" - 9.6 oz

ScratchAway Vinyl

Includes: 4 fl.oz

For Use On: LVT & Vinyl Floors

SKU: SA92253 - 2"x2"x5.5" - 5 oz

ScratchCure

ScratchCure Repair Pens are great for quick and easy touch-ups on scratches, scuffs, small chips, and gouges.

These pens come in shades that are buildable, meaning they start out light and more strokes bring darker color. With a longer drying time, there's no need to fear drawing outside the lines: unwanted marks can be wiped away! ScratchCure also features two different pen tip sizes, so no matter the job size, you'll have the right tool!

For Use On: Wood & Laminate Floors & Furniture

SKU: PE494XX - 5.5"x4.5"x1.5" - 0.3lbs

MIX2MATCH

Our Mix2Match repair line was developed to be an easy customized repair solution for every hard surface in a home or workspace. These 4 kits allow you to repair many different types of damage on almost virtually any hard surface. Our fillers hold fast and will not break up or pop out of the repair. Each kit includes both simplified and detailed instructions for repairing damage, as well as tips on applying an easy grain or marbling effect. All-inclusive kits with tools and sealant to complete any project.
